2 Home

Map occupies the largest space as it's the feature most users look for

Scrollable list of announcements & advertisements (same as in the screensaver)

③ Tap or swipe left to close

Says "Welcome Back to Multiversal 2.15pm studios" if you're a returning user

All 4 buttons in this row go to a similar screen

Each category has a different colour

Icons used, so kids who can't read can also understand

Country flag

Buttons at the bottom so that they're easier to reach

3 Map

Use the pinch gesture to zoom in & out (for those who are visually impaired)

(cater to universal usability) 2.15pm

Pins to indicate the locations of rides, shows, eateries & shops (colour-coded by category)

Numbers correspond to numbers on the physical map

Menu selection instead of keyboard input (prevent errors)

2 Can expand to view announcements & advertisements
